

**Core Skills Day – Sunday 16th October 2011
4th Worcester Park HQ (Open 10am – 4pm)**

Application Form:

This training day is being organised to meet the needs of new and wood-badged leaders alike. It has been identified that the modular training system allows little time for leaders to learn the practical skills required to be able to pass those skills on to our young scouts. Hopefully, this training day is being organised to bridge that gap!

It is intended that this training day will be a ‘drop-in’ type event and leaders who feel they need extra time to learn certain skills, e.g. knots, pioneering, etc. can do so at their pace and leave when they feel happy with the knowledge gained.

Although this is being organised by the Sutton District Team, it is being run in conjunction with the LTM, therefore, attendance at this session can also be validated as Module 18 (Practical Skills). If a leader is completing this training as part of their Training, they will be required to attend **all** bases and spend no less than 2 hours. To assist this, leaders will be ‘clocked in and out’ and be given a Base Passport which must be signed off at each Base to comply with the requirements of the Module. Once the requirements have been met, the leader will be given a Certificate of Attendance which they must show to their TA so that the Module can be validated. Those leaders holding a Wood Badge can count the time spent at this session as part of their ‘ongoing learning’.

Skills being provided on the day:

Tracking / Knotting / Pioneering / Camp Gadgets / Fire Lighting / Lamps & Stoves / Tent Pitching / Mapping / Compass & Orienteering / Axes & Saws / Backwoods Cooking / Running a Camp Fire / Beaver Skills. If there are other core skills required, please note these below.

Should you wish to attend this Core Skills day, please complete the slip below and forward to **Mrs. Janet Drinkall (LTM), 2, Park Hill Road, Wallington, Surrey. SM6 0SB** to reserve your place.
