

## District Funding of Leadership Training Costs

Financial grants are available to support the training of Sutton District leaders. Grants will be made to reimburse 50% of the course fees for Scout Association modular training courses provided within Greater London South West and 50% of the course fees for the basic first aid course provided by Greater London South West. Grants to help fund other training course fees may also be made subject to prior approval by the Sutton District Executive Committee.

Applications for reimbursement of modular training, basic first aid and other approved course fees should be made using this form after the courses have taken place. Applications should be sent to the District Treasurer and will be processed twice yearly (the application deadlines are 30th June and 31st December). All payments will be made by cheque to the Scout Group or Explorer Scout Unit bank account.

Applications for approval of grants towards the cost of other courses should be made in writing before the courses take place and will be considered at the following District Executive Committee meeting (normally within 3 months of application).

Scout Group/Explorer Scout Unit name			
Leader name	Course title and date	Course fee	Grant claimed
			Total claimed

The above named Scout Group/Explorer Scout Unit has paid the course fees listed and on behalf of the Group/Unit I wish to claim a grant towards these fees as shown.
